Bottle program helping others

By C.J. PIKE

One of the things that I really like about living in Newfield, is that people generally care about others in town, and try to help out when necessary.

We have Thanksgiving dinners for everyone, a recycling center for anyone that has stuff to get rid of, where others can take things for free, a thrift shop with low priced items, and an amazing bottle redemption program.

The bottle redemption program has been a big hit in Newfield and has just been in existence for the past few years. According to town secretary Nichole Hubbard, it has been very successful, and it seems like everybody in town is on board, as the account is up over \$15,000 and climbing.

The money from the bottle redemption program goes into an account, which is set up specifically for heating assistance for low income families. If a fami-

ly is in need of help, they make out an application to qualify at the town office for the program, which runs from Oct. 1 through April 30. If they qualify, they are eligible for 200 gallons of oil heat for the winter months. They will receive the first 100 gallons, and then must fill out another application for the second 100 gallons.

The town selectmen set up the criteria for the program, and there is a verification process.

The program was established back in 2008-09 when Rudy Turgeon was working at the transfer station. He made an extra effort to get it going and since then, the bottles are just rolling in.

In 2017-2018, they were 21 people in the program, and in 2018-19, they were 15. And, as of July of 2018, the town has sent about 55, and 940 containers to Clynk since the beginning of the program.

Just since January of 2019, 400 bags of bottles have been delivered to Clynk at Hannaford in Waterboro; and the wine bottles are taken to JD's in Waterboro. Pete Washington takes everything down there. He has made three or more trips so far this year. The town receives a check every three months and it goes right into the special bank account for heating assistance.

Harry Reed is in charge of the bottles now down at the dump and I guess that you could say that this is 'his baby.' He sorts the cans from the bottles, and the wine bottles, and puts everything into separate containers.

It turns out that there are much more donations during the summer, due to the summer residents in town, but we all do our part.

This program is sort of unique to Newfield, because we love to pay it forward, so that others will be warm in the winter, have a place to eat Thanksgiving dinner, and pick up some free stuff for their households.

It's just our way of life in Newfield, looking out for the other guy.

Free e-waste recycling day set for Sanford

In an effort to help keep our communities clean, Catholic Charities Maine's Parish Social Ministry will host a free e-waste Day on Saturday, June 8 at the St. Thomas Catholic School, 69 North Avenue, Sanford from 8 a.m. to 11 a.m.

Organizers will be collecting televisions, computers, printers, microwaves, VCRs, and leftover parts from other electronics, including wiring. Last year, at similar events, Catholic Charities Maine collected over 100,000 pounds of e-waste.

Bill Wood of Catholic Charities Maine notes that those concerned about the personal information stored on the hard drives in their old computers need not worry.

"All hard drives are destroyed in the process of recycling the computer parts, so there is no possibility of that information being accessed by someone else," he said. "All the collected items are recycled for the precious metals they contain, the wiring, the glass, and the regular metals."

Attendees are also welcome to donate money at the event. Those donations will be used to support Catholic Charities Maine Eco-Joy initiatives. For more information, contact Catholic Charities Maine's Parish Social Ministry program at psm@ccmaine.org.

School appreciated teachers

Last week was Teacher Appreciation Week for Alfred Elementary School. You knew it as soon as you walked up to the front door – it was there in bright chalk colors on the walk. All kinds of good things were planned including a breakfast and a traveling snack cart which included drinks and snacks for the teachers as it was taken from room to room. Then there was a Penny War for youngsters to see who could bring in the most pennies to finance a field trip. Those bringing in the most pennies won the war – it was the 4th grade and their trip will be to the Alfred Village Museum. In all 719 pennies were collected.

On May 10 there was movie night, a family event with a bake sale and raffles, again to benefit the 4th grade field trip. As if that weren't enough the full staff also will receive gifts. It was almost enough to make you decide to take up teaching.

Museum opening

"Celebrating Alfred's Early Industries – Commercial and Domestic" will open this Sunday 2-4 p.m. Some of them will come as a surprise to present residents, such as the cranberry industry and embroidery which employed quite a few residents. Others, our orchards, continue. And Hat Shaw's somewhat illegal business belonged to another age. There will be questionnaire sheets for anyone interested in a challenge.

A Candidates Night for town officers will be held Wednesday, May 29 at 7 p.m. in Conant Chapel to meet the candidates.

Eagles grounded Gregoire fans 7 in win

Julia Gregoire pitched six innings and hit a first-inning homerun to help pace Massabesic's varsity softball team to a 6-3 win over host Windham (7-4) on Wednesday, May 15.

Grace Tutt led off the top of the first with a line-drive homer, and Gregoire followed with a one-out homer to give the Mustangs a quick 2-0 lead.

Massabesic (8-2) made it 6-0 with a four-run third. Kaitlyn Shaw led off with a walk and Tutt tripled her in to make it 3-0. Emily Morin got Tutt in with a sac-fly to make it 4-0 and the Mustangs grabbed two more in the frame; one on an error and another on a fielder's choice hopper hit by Emily Davison.

The Eagles got a solo home run in the third and they cut the lead to 6-3 with a two-run homer in the sixth, but Gregoire kept the damage to a minimum by walking just one on the night and the Mustangs played clean defense behind her to post the win. Emily Antrim picked up the save with a scoreless seventh.

Morin leads in walk-off win

On Monday, May 13 the Mustangs shocked visiting Biddeford

with a two-out three-run rally in the bottom of the seventh to walk off with an 8-7 win.

Massabesic jumped out to a 5-2 lead after four, but the Tigers scored five times in the fifth on four hits and some sloppy defense to move ahead 7-5.

Emily Antrim doubled with two outs and none on to start the seventh inning rally. Ally Grant got her second hit of the game, singling in Marissa Goodwin who ran for Antrim, cutting the lead to 7-6. Paige Houk had an excellent at bat, working a walk to put two on. Tutt tied it at 7-7 with a line-drive double that sent Houk, representing the winning run, to third.

Emily Morin (2-4, R, RBI, BB, SB) ended it with shot down the third base line. Ally Grant drove in three runs. Tutt reached base in all five plate appearances (3-3, 2R, RBI, 3B, 2B) for Massabesic who fell to unbeaten Thornton Academy 3-0 on Saturday, May 11.

The girls' last regular season home game and Senior Night is May 22 vs. Falmouth at 4 p.m.

Skylar Renaud had a hat trick and Katie Castle made six saves, several with the game still on the line, to help lift Massabesic's varsity softball team to a 9-3 win over visiting York on Saturday, May 11.

The Mustangs jumped out to a 5-2 lead at halftime thanks to an offense that has multiple threats. The home team had first half scores from Renaud, Cailyn Forrester, Cam Champlin, Emily Jacobs and Kenzy Ouellette.

Jacobs scored again one minute into the second half to give Massabesic a 6-2 advantage and the Mustangs kept up the attack,

adding goals from Ouellette and two more from Renaud to help then coast to their six win against zero losses.

Bart James Sughrue IV

Bart James Sughrue IV, age 40, of Hollis, passed away on May 11, 2019. Bart, better known as Jim to his family and friends, was born in Westbrook Maine on August 23, 1978 to Susan (Klar) Sughrue and Bart J. Sughrue III. After graduating from Bonny Eagle High School, he worked at Sysco Food Services for many years. He was an avid learner, especially of science. He was inquisitive, hands on, and always wanting to know how things operated. Jim picked up many skills from his dad and frequently put them to use whether he was pulling a motor, or spraying paint. He worked for Old School Services from an early age where he became a skilled craftsman in multiple trades.

Bart James Sughrue IV

Jim was mechanically inclined and was always prepared to take on a challenge. From a young age, he was interested in sports, physical sports and motorsports. He liked snowmobiling in the winter and jet skiing in the summer, snowshoeing and just walking the trails. Spending time with his brothers and his father hunting and fishing brought him joy.

The past few years Jim has been open about his addiction struggles and even testified at the State House supporting legislation to help those in need. At times he became an advocate for others. He was adamant that addiction issues be brought out in the open. It would be the only way to generate the attention needed to support education and drive change. Too many good people have lost their lives in this fierce battle for sobriety.

Jim was a son, brother, uncle, a true heart, who was very loved. Jim was about truth, honesty, and integrity. Jim was committed to his family and brought positive energy, joy, and happiness to all around him.

In addition to his parents, Jim is survived by his siblings, Patrick Sughrue and his wife Jennifer of Dayton, Teresa Crandall and her husband Josiah of Limington, Garrett Sughrue and his wife Melanie of Dayton. He also leaves behind eight nieces and nephews; Carson,

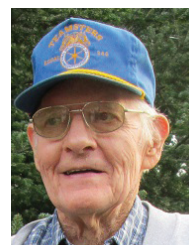

Colby, Grace, Ryker, Ava, Charles, Hayden and Gwyneth.

A private family service has been held. Memorial contributions can be made to Day One, an organization that Jim had personally contributed to over the years. 525 Main Street, South Portland, Maine 04106.

Robert (Bob) Knight

Robert (Bob) Knight, 83, a lifelong resident of Alfred, died peacefully at his home with his loving family by his side on May 12, 2019.

Robert (Bob) Knight

Robert was born on Oct. 20, 1935 in Waterboro, the son of Henry and Ruth (Johnson) Knight. He graduated from Sanford High School in 1954 and following graduation Robert enlisted in the US Air Force in 1955 and was honorably discharged in 1959. Upon Roberts return from serving his country, he married the love of his life, Judy Mitchell, celebrating 65 wonderful years together and raising five children in the community of Alfred.

To those who were blessed to spend time with Bob, they lovingly referred to him as "Mr. Easy Going." Robert was a wonderful husband, devoted father and friend; his patience, kind, and loving manner showed through with all that had the pleasure of knowing him.

Robert had a fondness for taking motorcycle trips on his new Goldwing, traveling to the Smokie Mountains, Tennessee as well as Kentucky. One memorable trip was traveling to Fort Bragg with his son Jimmy.

Robert was a proud member

of the Alfred Masonic Fraternal Lodge, # 55 AF & AM, receiving his 50-year pin. Bob was also the worthy patron of the Order of the Easter Star, Fern Chapter.

Robert worked very hard to ensure that his family had all that they needed; he worked in various fields during his life, including owning Bob Knights lawn and garden equipment. But for many years he drove tractor trailers for Paul V. Adams Trucking, Auclair Transportation and Consolidated Freightways; retiring after 26 years in the trucking industry. Bob was also a member of the Teamsters Union during his trucking career.

Retirement gave Robert the time to enjoy the little things in life; putting puzzles together, feeding the many birds that visited their yard, following NASCAR racing, collecting coins and Win Ross truck models, hunting and family gatherings.

Robert is lovingly survived by his wife of 65 years, Judy Knight of Alfred; his two sons Greg and his wife Heather of Alfred; Jim and his wife Karen of Waterboro; and three daughters Lisa and her significant other Dan Leclair of Standish; Martha and her husband Alan of Scarborough; and Jane and her husband Dave of Biddeford.

Robert could not have been more pleased with sharing time with his ten grandchildren and 18 great-grandchildren (two of whom share his birth date.)

A Graveside Service with military honors will be held on Friday, May 31 at 11 a.m. at the Evergreen Cemetery, in Alfred.

To leave a message of condolence for the family, visit www.autumngreenfuneralhome.com.

In lieu of flowers, my Dad would like you to consider making a donation to the Alfred Fire/Rescue Assoc., P.O. Box 235, Alfred, ME 04002.

The Autumn Green Funeral Home is respectfully handling arrangements.
