Fun at the fair

BY ALLISON WILLIAMS

Alfred Parish Church had a successful church fair last weekend, in spite of the absence of the Apple Festival activities. There were vendors with their booths on the Conant Chapel grounds selling foods and crafts, and inside the building a penny auction received a lot of attention. Eric Ducharme was the organizer and thanks all those who assisted as donors, participants and volunteers. During the auction there were happy winners of two antique chairs, (won by the Tucker family) a large antique rocking chair with a new cane seat, (won by Dominique Zulueta) and a large kayak which

Su LaChance and Janet Tucker were two of the vendors at the church fair on Saturday. Their baked goods did not stay long on the table. PHOTO BY ALLISON WILLIAMS

Limerick church to celebrate 100 years

A century after Fr. McLaughlin arrived and led community members in building a church across from Sokokis Lake in Limerick, St. Matthew Church will celebrate its 100th anniversary with a Mass and celebration on Saturday, Oct. 16. Bishop Robert Deeley will preside at the anniversary Mass at the church, located on 19 Dora Lane, at 4 p.m. A celebration dinner is scheduled to be held after the Mass.

During the 100 days leading up to the anniversary, the parish has hosted a variety of special events to commemorate its centennial, including outdoor movies, service presentations, workshops, adoration and the Rosary, yard sales and fairs, raffles, bean suppers, bonfires, and much more. In addition, the parish has hosted blood drives, including one on Oct. 16 from 9 a.m. to 2 p.m.

“There have been many opportunities to learn, serve, and be part of this special parish community while honoring 100 years of love, mercy, and faith,” said Fr. Bill Labbe, pastor of St. Matthew Parish as well as St. Thérèse of Lisieux Parish in Sanford.

From 1912 until 1921, priests from St. Ignatius Parish in Sanford served the Limerick area as a mission of that church. They celebrated Mass in the shipping room of Holland Mill, commuting once

Great Circle Trail opens

In celebration of National Public Lands Day (Sept. 25), staff of the Maine Department of Agriculture, Conservation and Forestry’s (DACF) Bureau of Parks and Lands (BPL) unveiled the Great Circle Trail, a new 30-mile hiking trail loop on the Nahmakanta Public Reserved Land in the heart of the Katahdin Region. The Great Circle Trail connects the Turtle Ridge Loop, Debsconeag Loop trail, and the Appalachian Trail into one large network. The loop trail can be hiked in bite-sized sections or a multi-day adventure, utilizing eight remote campsites.

“The Great Circle Trail concept has been in the works since 2005, and I thank everyone who has contributed to this significant resource,” commented DACF Commissioner Amanda Beal. “The new Great Circle Trail is an exceptional opportunity for hikers of all abilities to get outdoors and experience our gorgeous Nahmakanta Public Reserved Land.”

New ladder truck

The Town of Waterboro Fire Department has received their new ladder truck, Waterboro Ladder 3. This ladder is 100' with a 500-gallon water tank, accompanied by a 1,500 gpm pump. The truck will be used on the road, at multiple buildings within Waterboro, and possibly out to assist mutual aid calls for neighboring towns for training. “Not including the pre-requisite trainings and certifications, it will take each experienced staff member a minimum of 10 hours of dynamic training to be qualified to drive and operate this truck.” – Fire Marshall, Mike Fraser. CHURCH FAIR

(Continued from page 1)

was the door prize and was purchased with the donations of Arlene Carroll, Tammy Chadbourne, and Beth Sullivan. This was won by Janet Tucker. The stoneware dish set was won by Daphne Graham but there were other equally lovely prizes, in all, 97 items.

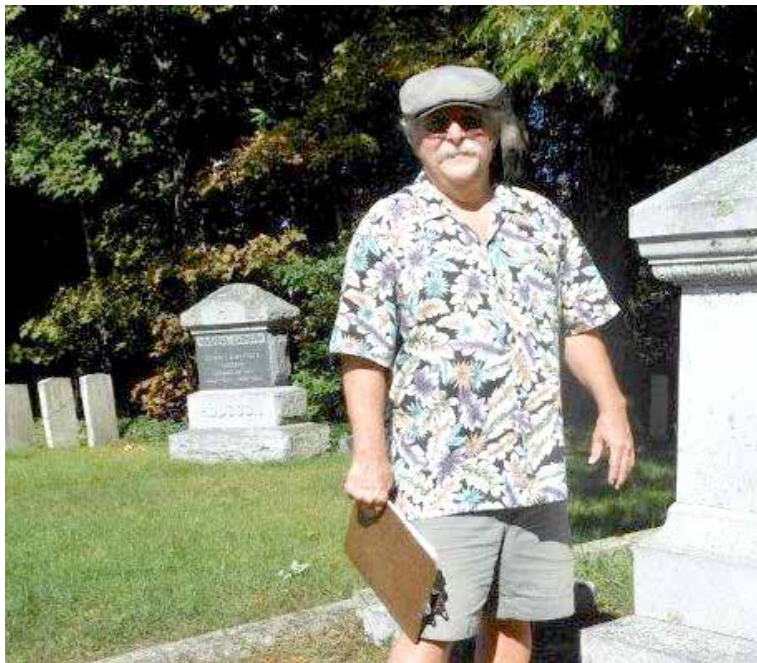

While this was going on there was a book sale in the Parsons Library basement attended by over 100 customers. This earned over \$340. The tables of books are still up so if anyone missed it there is still an opportunity to visit. The whole fair was so successful that another might be held next year.

The concert and strawberry shortcake which had been planned was cancelled but will be held on Friday, Oct. 8 at 5 p.m. at the church. Unless there is poor weather, it will be held outdoors and people are asked to bring their chairs.

Selectmen's meeting

The three selectmen and three other town officials were present for the Sept. 7 meeting. The minutes of the Aug. 31 meeting and Sept. 3 meeting were accepted and the warrants were signed by all. Selectman Tony Palminteri stated Mr. Marchese contacted him requiring the requirements for the Oak Street Bistro to be used as a polling location in November. Palminteri sent an email to Mr. Pasquini, Mr. Allaire and Mrs. Hewitt regarding the election and contacted Marchese ensuring him that everything for the election is in place.

Rich Pasquini has been in touch with Codes Officer Jim Allaire about a new town road ordinance. Palminteri reported that the shoulders of Mouse Lane should be finished today (Sept. 7). Mr. Allaire presented the Board with

Historian Bruce Tucker introduced visitors to the village cemetery to former residents of Alfred, many of whom would have been familiar with village fairs similar to Saturday's event. PHOTO BY ALLISON WILLIAMS

information on the 2021 Maine Medical Marijuana Municipal survey. A committee is being put together to discuss the most recent changes to the new laws.

A resident called to inquire about the Brothers Beach Committee minutes. Mr. Dochtermann will contact the chair of that committee to submit minutes from the meetings for posting to the town website. Under new business Mrs. Pirone has requested to attend a full day workshop via ZOOM on Oct. 21 and the board approved the workshop.

Under correspondence the Board reviewed reports from the

Treasure Chest for August, also the clerk's report, tax collector's report, Spectrum news introduction, MMA Annual Business Meeting and information on a request to meet with the Board regarding a Food Forest.

New Century Club

Members of the New Century Club will meet at the Sanford-Springvale Historical Museum on Monday, Oct. 11, at 7 p.m. Harland Eastman will take members on a tour of the new art display at the museum, featuring Ray Welch, noted folk artist of Maine

NEW TRAIL

(Continued from page 1)

"Our dedicated staff has shown great vision and commitment to developing what will surely become one of Maine's top multi-day backpacking trips. This trail offers a fantastic hiking experience in a remote, beautiful setting away from the crowds on busier trails such as the 100-mile Wilderness, Bigelow Preserve, or Tumbledown Public Lands," added BPL Director Andy Cutko.

The total length of the Great Circle Trail is 30 miles. This distance includes segments of multiple trails: 1) two sections of the Appalachian Trail (2.3 miles) are used with permission from the National Park Service and Maine Appalachian Trail Club, 2) 6.5 miles of the Debsconeag Backcountry and 3.7 miles of the Turtle Ridge backcountry trails are used if you opt for the shortest distance across these two stacked loop trail systems, 3) 14.3 miles of the newer, connector trail (all south of the AT; all built since 2005), as well as 4) 1.4 miles of road walking (two sections, to be moved off the road as soon as possible).

The trail is designed for foot

travel; bikes and motorized use are not allowed. The difficulty rating of the GCT is moderate, occasionally strenuous, with rocks and roots in the trail tread being the major obstacles. However hikers traveling longer distance or the full loop should be experienced in backcountry camping, navigation and safety. The trail has been built to a USDA Forest Service hybrid Trail Class 1 / 2 standard (minimally to moderately developed). The Class 1 standard is used on level sections, with tread often not continuous due to rocks and roots, whereas steeper (sidehill) trail segments have more cut and fill tread surface and wider spots for passing. Both classes use native materials for tread, steps, stepping stones, and bridging. Trail junctions are signed with distances to the next major destination, elevation gains are given for mountainous terrain. There are plans for a few interpretive signs to be installed.

The difficulty of the trail is well-balanced by the rewards. Scenic trail features along the 30 miles of the Great Circle include four waterfalls, 11 remote ponds/lakes (seven with campsites), two gorges, and more than five panoramic views from ledges and overlooks.

Time to order insulating window inserts for a warmer home

Drafty Windows? High Heating Bills? Would you like to have a warmer home and save money? Nonprofit WindowDressers can help! Their insulating window inserts fit inside of your existing windows to let in all the sunlight and views while keeping more heat inside your home. The inserts are high quality and low cost because they are built at barn-raising-style Community Builds across Maine and Vermont.

The inserts are built of attractive pine frames and wrapped drum-tight with a durable plastic film to create clear views through an insulating air space. Foam weather stripping around the outer edges stops drafts and aids the insert's tight, custom fit. The inserts are installed from the inside of windows and held

in place by friction. Depending on the efficiency of your windows and home, you could see fuel savings of up to 20% with inserts in place.

Pricing is based on size and finish (natural pine or white). A medium-sized 30 x 52 insert in pine costs \$39 plus tax and in white costs \$50 plus tax. WindowDressers offers low-income households up to 10 pine inserts at no charge. Donations of any amount are always welcome.

Your local WindowDressers volunteer team is accepting orders now for the fall build season. Our volunteers will begin measuring windows, and the inserts will be assembled at local Community Builds in the fall, following all public health guidance. Everyone who orders inserts also participates in the

Community Build! The number of homes taken on by the local Community Build is limited to about 30, so interested households should sign up right away at www.WindowDressers.org or call 596-3073.

Historical look at photography

The Acton-Shapleigh Historical Society has announced its final presentation for the season entitled 'A History Of Photography Through Snapshots.' Linwood Dall, a member of the Society, will present this program on Monday, Oct. 4, from 6:30 to 7 p.m. at the Society's Headquarters 122 Emery Mills Road.

Dall will explain the rise in popularity of amateur photography

in the 20th century and how different the process was compared with today's digital age. He'll also show how old photos tell a story far beyond who was in them or where the photo was taken.

The presentation will conclude with a question and answer forum followed by the Society's regular meeting at 7 p.m. This Program and meeting are free and open to the public. There is ample parking at the ASHS headquarters.

Quilt show

The Acton-Shapleigh Historical Society will be hosting a quilt show at their headquarters Oct 1-2, from 9 a.m. to 2 p.m. The quilts on display include those donated to the Society as well as some of the ASHS members' inspired designs.

TOWN OF HOLLIS NOTICE OF PUBLIC HEARING

Zoning Board of Appeals

34 Town Farm Road, Hollis ME 04042
(207) 929-8552 Fax: (207) 929-3686

The Hollis Zoning Board of Appeals will be meeting and holding a public hearing on **Monday, October 4, 2021, at 6:00 PM**, for the following appeal:

A request by Jason Rickett for a setback variance for property located at 48 Darbick Terrace, Map 5 Lot 69-4-2, in accordance with Hollis Zoning Ordinance, Article 3, Section 3.7.3.2.b. Variance from dimensional standards.

The meeting will be held at the Hollis Community Building, 35 Town Farm Road, with Zoom access in addition. Details, including password to sign in, will be posted on the Hollis website: www.hollismaine.org. Any affected property owner or person with information about the lot may attend. Comments may be submitted prior to the meeting by writing to: Board of Appeals, Town of Hollis, 34 Town Farm Road, Hollis ME 04042, or by email to planningboard@hollismaine.org.

Craft fair coming soon

The Old Library Fundraiser craft fair will be held on Saturday, Oct. 9, to benefit the old library on Elm Street. It will be held at the West Newfield Town Hall at 23 So. Effingham Road from 10 a.m. to 3 p.m. Librarian Cheryl Cause plans to raise enough money to do repairs on the old building, which survived the 1947 fire. She would like to have it open for book signings, display collections and for Maine Maple Sunday.

Crafters are still needed for the fundraiser and tables are \$35 each, and there is a limited amount of space. Planned for the day are the crafters, a raffle and a bake sale. For more information, contact Cheryl at 809-7014.

Food pantries open

The Little Food Bank at the Newfield Church at 639 Water Street, next to the town office, is open, take what you need.

The St. Matthew's Food Pantry serves residents of Limerick, Newfield, Parsonsfield and registered Parishioners of St. Matthew Church, at 19 Dora Lane in

Limerick. The Food Pantry hours are: 1st Monday of every month from 6-7 p.m. and every Tuesday from 10 a.m. to noon. Food pantry serves Newfield residents.

The Wakefield Food Pantry is also open and serves, the New Hampshire towns, as well as Newfield. Call them at 603-522-3094 to find out their hours and their policy during this virus. Currently they are open on Wednesdays 10 a.m. to 1 p.m. and 5-7 p.m. Their email address is: info@wakefield-foodpantry.org.

Lions have equipment to lend

The Limerick and Newfield Lions are lending out wheelchairs, commodes, tub chairs, crutches, walkers, shower chairs, canes and more. According to Lions member Theresa Gaetjens, they provide the service for anybody in need in this area and surrounding areas. Contact either Elaine Jedrychowski at 793-2381 or Theresa Gaetjens at 651-2856.

Meetings

The Newfield Selectmen will meet on Tuesday, Oct. 5 at the West Newfield Town Hall at 23 So. Effingham Road at 6 p.m.

The Newfield Planning Board will meet on Wednesday, Oct. 6, at the West Newfield Town Hall at 23 So. Effingham Road at 7 p.m.

SPORTS

FIELD HOCKEY

Mustangs clip Hawks to stay perfect 9-0

By MICHAEL DEANGELIS
Sports Editor

Massabesic's varsity field hockey team remained perfect (9-0) after a solid 5-2 win over host Marshwood on Tuesday, Sept. 28. Trailing 1-0, the Mustangs evened the score at 1-1 with zero time left in the first period when Mary Duffy assisted Emily Jacobs off a corner. The score got the visitors the momentum they lacked early as they poured seven shots on goal in the second quarter to none for the Hawks, but the contest remained tied at the halftime break.

Massabesic effectively put the game away with two quick scores just 38 seconds apart at the midway point of the third period. Sydney DeSimone struck first and Micaela Jacobs followed with the eventual game winner to move the Mustangs ahead to stay at 3-1. Marshwood kept battling, and they cut the lead back to a single goal with a quick strike of their

own early in the fourth period.

Micaela Jacobs put thoughts of a comeback win for the Hawks back in the corral with two more goals to complete her hat trick and send the faithful back home with a 5-2 win. Massabesic has outscored their opponents by an eye-popping 30-8 through nine games.

Head coach Michele Martin-Moore was asked if she was surprised at all by about her teams' excellent start: "I am not entirely surprised, but there are so many variables that can impact your team this year...we are fortunate to have avoided most potholes so far. All seven seniors have been great mentors for the many freshman players. The sophomores and juniors continue to work hard and have fun. They are all such a treat to coach!"

On Saturday, Sept. 25 Massabesic topped Westbrook 6-0. Em-

ily Jacobs had a hat trick and the Mustangs got single scores from Mary Duffy, Dakota Boudreau and Kenzie Nason.

On Friday, Sept. 24 the Mustangs handed visiting Falmouth a 3-2 loss thanks to superb goaltending from Lydia Suhy who turned aside 12 shots in the contest. Charlie Anderson got the scoring started, giving the hosts a 1-0 lead. Mary Duffy pushed the Mustangs ahead 2-0 and they took the same advantage into the halftime break. The Navigators popped in a goal late in the third to cut the lead in half at 2-1, but Micaela Jacobs hooked up with Kenzie Nason to again move the hosts ahead by two at 3-1. Falmouth kept up the attack in the fourth period, generating offense and throwing seven shot on Suhy who turned aside all but Mallory Roy's late goal in preserving a key 3-2 win.

CROSS COUNTRY

Cloutier tops XC field at Biddeford

Luke Cloutier was first with a 17:32.74, better than seven seconds ahead of Scarborough's Adam Bendetson who was runner-up, at a four team cross country meet held Friday, Sept. 24 in Biddeford. The Storm took the team event with just 35 points.

The Mustangs were next with 54 and Biddeford finished with 59. Cheverus was last with 70. Junior Ian Sampson crossed the finish line in fourth place and senior Jesse Gonville was 12th. Forty runners competed.

FOOTBALL
Knights top Mustangs 14-0

Massabesic (1-3) forced two turnovers, but they committed six and fell to host Noble 14-0 on Friday, Sept. 24. The Knights went ahead 6-0 just prior to the halftime break and they scored again in the fourth to put the game away. Colin Scully rushed for 113 yards and he made 10 tackles on the defensive side of the ball. Sean Wakefield rushed for 62 yards and he added 10 tackles of his own. Dana Newton had a pair of tackles and forced a fumble. Jonathan Daigle had a sack and made 2.5 tackles. The Mustangs will host their annual homecoming game on Friday, Oct. 1 versus Gorham with kickoff set for 7 p.m. with Senior Night activities at 6:45 p.m.

100 YEARS

(Continued from page 1)

a month on the train in the winter and twice a month in the summer. Fr. McLaughlin, the first resident pastor in Limerick, dedicated the original church on October 21, 1921. The church was enlarged in 1939 before a new church on Dora Lane, a short walk from the

original church, was dedicated on June 28, 1987. In December of 1989, a fire destroyed the church and rectory. The current church was rebuilt in 1990 and dedicated on June 2, 1991.

For more information about the centennial celebration, including schedule information and updates, visit www.stmatthewlimerick.org/centennial-celebration.

Ronnie Geruard Taylor

Ronnie G. Taylor, 59, beloved son, brother, and devoted father, passed on Sept. 25, 2021.

Ronnie was born in Atlanta, Georgia on April 8, 1962, the son of Marvin T. and Simone P. (Bernier) Taylor. He attended Kathleen Senior High School in Lakeland, Florida and graduated with the Class of 1980.

Ronnie relocated to Maine shortly after graduation and worked as a truck driver, delivering glass for 28 years. His most recent employment as a store clerk was with his 'extended family' at Merrill's Country Store.

Anyone that knew Ronnie would tell you he possessed a BIG, BIG heart. He loved his community and was always ready at the "drop of a hat" to help someone out. Ronnie was an avid ATV rider and recognized on the trails. Often strangers would come along to ride along with him. His sense of humor and ability to talk with anyone put them at ease. Ronnie was an American patriot.

Ronnie was well known for wearing shorts year-round. He was a huge fan of diet Pepsi and an occasional Coors Lite, and Jack Daniels with ginger ale. While ATving in the Bingham, Maine area, the rides would always end with the best peach ice cream in town. He loved the great outdoors, was an avid hunter and exceptional at target shooting.

Ronnie loved his family and

his friends. His best buddy was his daughter Miranda J. Taylor.

We will miss you dearly and our hearts will slowly mend. Your greatest gift was being YOU. It brings us comfort to know you are with your dad and son Nicholas.

Ronnie is lovingly survived by his mother, Simone Taylor of East Waterboro; daughter Miranda Taylor of Manchester; two sister Brenda Bradeen of East Waterboro and Ann Bright and husband Robert of Tallahassee, FL; and brother Steve Taylor and wife Jeri of Biddeford; several nieces and nephews and his Merrill Country Store family.

A celebration of Ronnie's life will be on Saturday, Oct. 9, starting at 6 p.m. at Merrill's Country Store in North Waterboro.

To leave a message of condolence for the family, visit www.autumngreenfuneralhome.com.

In lieu of flowers, any donations may be made to your local ATV club in honor of Ronnie Taylor.

The Autumn Green Funeral Home, 47 Oak Street, in Alfred is respectfully handling arrangements.

Ronnie G. Taylor

A tribute to Gilbert B. Wellington

This tribute is to my lifelong , very best friend Gilbert Wellington. While he lived in Maine, we did everything together and I loved him for the person he was.

Gilbert Wellington

From 1955 on, Gilbert was a busy young man who contributed much of his time to others. Beginning in 1955, Gilbert volunteered to help the Sanford/Springvale Fishing Derbies held every summer. Gilbert made many new friends and saw to it that every girl and boy was awarded something that had to do with fishing. The Derbies were held at Number One Pond in Sanford for children only. A great time was had by all.

Also, during this time period, Gilbert was involved in stocking trout in the brooks of Shapleigh, Newfield, Alfred, and Waterboro, just to name a few. But one place that stood out was Shapleigh – we stopped by a little brook when he saw a few children fishing there, so he dropped a few trout into a couple of holes and waited – then watched the joy on the children's faces when they caught them.

During that same time period, a large pheasant pen was built by the Fish and Game Club on a property in Alfred. The deal was, if the Club raised 500 birds, the State would match those 500 with another 500, giving the club 1,000 pheasant to release in the fall for hunting season. Gilbert was there every morning and every night, feeding those birds. And he was there when it was time to release the birds after the Club met the State's offer.

Gilbert was again involved

with the Fish and Game Club, supporting their program of building a large volume of Wood Duck houses, and installing them on many of the various brooks and ponds around Sanford, Shapleigh, and Alfred.

Continuing his relationship with the Fish and Game Club, Gilbert was involved with "Reclaiming" Square Pond in Shapleigh.

Reclamation was required because White Perch had taken over the pond and eliminated all the native Trout. The reclamation resulted in 13 tons of White Perch being removed from Square Pond. Later, the pond was stocked with baby brown Trout, and in the following years, Square Pond had some of the best brown Trout in the state. Gilbert was right in the thick of things all during the reclamation – it would not have been so successful without his long hours of labor and other contributions. Gilbert was also involved in "Reclaiming" the Sanford/Springvale Pond by the golf course in Sanford. Following that, the best fishing anywhere could be had on that pond, until one fisherman used live bait to fish and caused the pond to revert back to what it was before the reclamation. So sad!

In support of the Sanford Fire Department, Gilbert was instrumental in keeping the fire hydrants shoveled out in winter – he knew where every hydrant was located on the East Side of Sanford, and made sure each of them was shoveled after every snow storm, many times working late into the night so that they were available in case of

fire. Another example of the hard work and contributions that Gilbert gave so generously to the citizens of the town of Sanford, Springvale, Shapleigh, Newfield, and Alfred was the support he gave to the author of this tribute. He volunteer his time to me and my grandfather and my uncle during haying season, putting baled hay up for the winter. After working hard all day on those farms, he and I would stop at Kennebunk Pond and go for a revival dip.

After graduating from Sanford High School, class of '62, Gilbert held a job with Moulton's Cavity and Mold in Alfred. Gilbert had a stellar reputation and was well known all over New England as one of the best polishers of mold and cavities. Later in life, he moved to Saint Petersburg, Florida and continued working there in a large mold-making factory.

For many years, Gilbert was the Foster Father to several needy children. In November 2011 he lost his wife to a long-term illness. Later he underwent a quadruple heart by-pass and could no longer work. A few years later, he was diagnosed with Cancer and fought hard against that disease. During that fight, his home burned to the ground. His cancer became more severe. Gilbert left this earth in the Spring of 2021 after a heroic battle with that Cancer. His life and death are the perfect example of "Only the Good Die Young." He and his wife's gravesites are located in the Evergreen Cemetery in Alfred, Maine.

Gilbert Wellington, I salute you. Rest In Peace my Brother.

—by Tony Grant Jr.

The purpose of this public hearing is to review a Variance Request submitted by Linda Lawrence for Tax Map 252 Lot 006 probably located at **35th Street, Acton Maine 04001**

Members of the Zoning Board of Appeals will meet immediately following the Public Hearing to consider the Appeal.

Town of Acton Maine - 35 H Road, Acton, Maine 04001

**Town of Acton
JOB OPPORTUNITY**

The Town of Acton is currently accepting applications for a **Transfer Station Superintendent & Maintenance Person**. This combined position will cover all responsibilities at the Transfer Station and miscellaneous Handyman services, such as cleaning, minor construction/building work, and general building maintenance as needed. The chosen candidate will have a minimum of 3 years of supervisory experience, strong people skills, the ability to multi-task and work well independently. The Town of Acton's Transfer Station has a budget of approximately \$300,000, the Superintendent will be responsible for the creation and managing of this budget with Selectmen oversight, therefore attention to detail is a must. This will be a salary position of 35 hours per week with a yearly pay range between \$36,000-\$40,000 depending on experience. The Town of Acton currently offers health insurance, earned paid time off, paid holidays and a longevity bonus.

Interested candidates should send their resumes to the Town of Acton, Attn: Town Administrator, 35 H Road, Acton, ME 04001. Position shall remain open until filled.

The Town of Acton is an EOE and reserves the right to reject any and all applications.
